

## Not-For-Profit Internet Discount Policy

PSC will provide Not-For-Profit organizations the following discounts on Internet services:

### Internet Access

PSC offers all Not-For-Profit organizations a discount of at least 25% on any Internet access package from PSC. The original charge will be billed with a credit shown for the discount.

### Web Site Hosting

PSC will host a web site free of charge, using the personal home page guidelines. (5 megabytes of disk space, 10,000 hits, 100 megabytes of data transfer, with web address of [www.psci.net/organizationname](http://www.psci.net/organizationname).)

**Customer must have an Internet account (Dial-up, ADSL, Wireless or FAST-CONNECT) to qualify.**

### Not-For-Profit Qualifications

PSC must be provided with documentation supporting the organization's not-for-profit status (i.e., Tax Exemption Certificate, etc.)

Examples of "Not-For-Profit" organizations:

Community Organizations (Kiwanis, Jaycees, Lions, Optimists, Big Brother/Big Sister, Volunteer Fire Departments, Schweizer Fest, Strassenfest, etc.)

Boy Scout Troops, Girl Scout Troops, 4-H Clubs, etc.

Churches (*A church is considered a business in selecting the access package.*)

Government Agencies (*A government agency is considered a business in selecting the access package.*)

**NOTE:** Schools and libraries do not qualify for PSC's Not-For-Profit Policy since they receive substantial discounts through state and federal programs.

**NOTE:** Cooperatives do not qualify for PSC's Not-For-Profit Policy.
